The Atlanta Peachtree RoadRollers Skate Club promotes skating in the Atlanta area and supports skating in the local community through lobbying efforts and public events. The club advocates safe skating by holding free clinics on skating techniques, working with merchants who offer safety gear, and providing the Atlanta chapter of the National Skate Patrol in area parks and on local trails.

The Peachtree RoadRollers hold weekly scheduled group skates throughout the year, help staff charity/volunteer special events, such as [skate](#) races, and organize club activities, including trail and distance skates, trips to other cities, and more.
